Honour Your Calling. Chart Your Course. Trust Your Compass.

# TRANSFORMATIONAL LEADERSHIP EMOTIONAL INTELLIGENCE CHANGE MANAGEMENT

## The problem:

We're drifting.

Most of us get thrown off track by constant change and comparison with others. It usually shows up in one of three ways:

- We're **unsure of what to do** when change and adversity strike.
- We **don't know what to say** to communicate our businesses effectively.
- We're **not entirely clear on exactly where we're headed**, whose map we're following ... or why.

## The solution:

A **transformational framework** to help you honour your calling, chart your course and trust your compass.

Experience the shift that enables you to:

- **Thrive through change** and turn adversity into an advantage.
- Effectively **communicate with confidence** and courageous consistency.
- **Move forward with intention, clarity and conviction.**
